

## Robert Preston “Bob” Parke

Robert Preston “Bob” Parke, retired petroleum engineer and geologist, left this world for greater adventures on Tuesday, April 23, 1913. He was 83 years old and is survived by three daughters, a sister, and many other friends and family who will miss his wit and intelligence. He had a huge capacity for love, both giving and receiving. His remains will be buried in the family cemetery in Markley, TX at a small service. If you knew him and are willing to share, please forward any endearing stories you have about Dad to [StoriesForBobParke@gmail.com](mailto:StoriesForBobParke@gmail.com) -- the family would love to hear them!
